Cobble Stone

This brochure is only a guide to the representative colors for each line. Due to the variances in manufacturing, reproduction and printing of the brochure, you may see a variance in color when comparing to the final product. We recommend viewing a sample of your desired selection before ordering. Upon special request, custom colors and combinations can be ordered with minimum order requirements.

Ledge Stone

Our Ledge products are designed so they can be drystacked, however we recommend the use of a thin mortar joint to enhance the structural integrity of the installation.
