ARTISTIC APPLICATIONS

*Go ahead and pursue new looks.
Nothing's set in stone*

The visual and tactile appeal of Cultured Stone® products naturally evokes creative inspiration. That's because its many veneers and trims can be used in endless combinations. The result—myriad opportunities to grace an architectural or design project with a style not to be found anywhere else.

For additional information on Cultured Stone® brand products and services, or to locate a dealer near you, visit www.culturedstone.com.

Mortar Joint Options

A great way to give a surface a specific look is to carefully select what goes between the stones. There are many grouting styles ranging from tight-fitted to standard to wide or overgrouted. Choose the look that's right for you.

Tight-Fitted Joints

Standard 1/2" Joints, Recessed

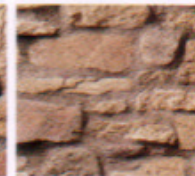

Standard 1/2" Joints, Raked

Wide Mortar Joints, Raked

Wide Mortar Joints, Overgrout

Wide Mortar Joints, Overgrout, Horizontal Placement

Blend Options

Another way to create an uncommon look for a home is to blend Cultured Stone® textures. For example, two veneers—Country LedgeStone and Southern LedgeStone—are available in colors that harmonize with Dressed Fieldstone.

80% Caramel Country LedgeStone (CSF-20007) with 20% Brandywine Dressed Fieldstone (CSF-2029)

80% Bucks County Southern LedgeStone (CSF-2056) with 20% Bucks County Dressed Fieldstone (CSF-2030)

80% Chardonay Southern LedgeStone (CSF-2054) with 20% Chardonay Dressed Fieldstone (CSF-2042)

Skimmers

Accent your choice of Stream Stone with Spring, Summer or Winter Skimmers. Each style helps to further the possibilities of design, producing dramatic interplay between stone sizes and shapes.

Summer Standard Stream Stone (CSF-2071) with 15% Summer Standard Skimmers (CSF-2080)

Spring Standard Stream Stone (CSF-2070) with 15% Spring Standard Skimmers (CSF-2069)

Winter Standard Stream Stone (CSF-2072) with 15% Winter Standard Skimmers (CSF-2081)

TECH DATA & STANDARDS

Cultured Stone® products are engineered to meet or exceed the specifications set by building code officials.

Unit Weight: Weight is approximately 8–12 lb/ft² (39–59 kg/m²).

Thickness: 1¾" average, may vary depending on choice of texture.

Colorfast: Colors become integral with the stone during casting. Existing applications show no undesirable color change after years of weathering.

Noncombustible: UL tested and listed. Cultured Stone® products show zero flame spread and zero smoke development.

Technical Support: Complete copies of Cultured Stone® research reports, approvals, tests, listings or acceptances conducted by independent testing agencies are available on request.

Limited Warranty

Cultured Stone® wall products carry a 50-year limited warranty when used on structures that conform to local building codes and when installed according to the manufacturer's instructions. Warranty is limited to replacement or repair of defective materials only and does not cover labor to remove and replace. Warranty does not cover damage resulting from building settlement, wall

movement, contact with chemicals or paint, discoloration due to airborne contaminants, and staining or oxidation. Warranty is limited to the original purchaser. Complete warranty information is available upon request. Terra Craft® landscape products are covered by a separate 5-year limited warranty.
